THAT

ISN'T

HOW WOULD

IT'S ALL CARBON

THAT SHURIKEN'S

WOULDN'T FLY IF
IT WERE METAL.

A GIANT

Joukyuu, who had a map of the uranium mine, lost it while sustaining an injury in battle. Meanwhile, Veronica gave the stolen intel to HQ.

Veronica is cornered when a General from HQ visits to "monitor" her. Just as the General is about to attack, Joukyuu retreats from sight, getting ready to make his move.

After being attacked and incidentally reducing HQ's reinforcements to nothing, it's time for Joukyuu to counterattack.
